A revision has been made to the means of transportation to school that used to require parents/guardians to drop off and pick up their children.

- Up until now, the elementary schools have asked parents/guardians to take their children to and from the school district. However, a revision has been made to allow students in the fifth grade and above to commute to school alone at the discretion of their parents/guardians.
- Students in the fifth grade and above may be allowed to commute to school by bicycle.

**Katsura
Elementary School**

**Learn from professionals
in each field!**

The school holds classes and after-school sports classes in collaboration with external instructors. The new school building (from 2022 onwards) has provided an environment where children can learn freely and comfortably.

**Kitayamamoto
Elementary School**

Many fun lessons!

The school makes full use of external instructors in classes and provides many hands-on activities. The school also has a multi-purpose room with air conditioning and Wi-Fi, allowing children to learn independently with a calm mind.

**Katsura
Junior High School**

The three years that serve as an opportunity for students to devote themselves to what they like

All students are to take the Eiken (English proficiency) and Kanken (kanji aptitude) exams, and external instructors provide study courses and supervision for club activities. The school has an auditorium where all students can study together. Also, there is space in front of each grade's classroom for self-study.

Things to consider when selecting a school

- Depending on future enrollment conditions, the system may be revised or new enrollment may be suspended.
- When selecting a school, please be aware of the purpose of the system and discuss it carefully with your child from the perspective of respecting human rights without discrimination or prejudice.
