

Class Observation/Experience Day

We are holding a class observation/experience day on the
28 elementary and compulsory education schools in Yao
in the Morning of February 18th (Wed)

Content

Class observation and experience day at the
elementary and compulsory schools they are entering

(The content differs between schools)

Target

Students entering primary or
compulsory schools in Reiwa 8
(For those who live in Yao City)

Application

Please apply at the entrance
information meeting at each school.

About the Class Observation/Experience Day

When children observe and experience a class, they imagine how it would be to start class in an elementary or compulsory schools growing their expectations. Parents are also able to experience it. We will be waiting for you and your children!
